SHARED BY ALL THREE DRAFTS

A paper-cut family, holding hands

Your Canva sketch, softened: round heads, curved arms that dip where hands meet, and the person being paid in the middle under a gold halo.

VOICE · SAY

“Mama has her money.”

Warm, first names, the family's own words.

VOICE · AVOID

“External transfer complete.”

Bank words, crypto words, anything a mother wouldn't say.

IMAGERY

Flat in the app, real in the pitch

Cut-paper illustration on screens; real photos and clear diagrams on the trifold, deck and video.

Draft A • Satoshi • Night market

TYPE • SATOSHI THROUGHOUT

Cash home, hand to hand.

Mama has her money

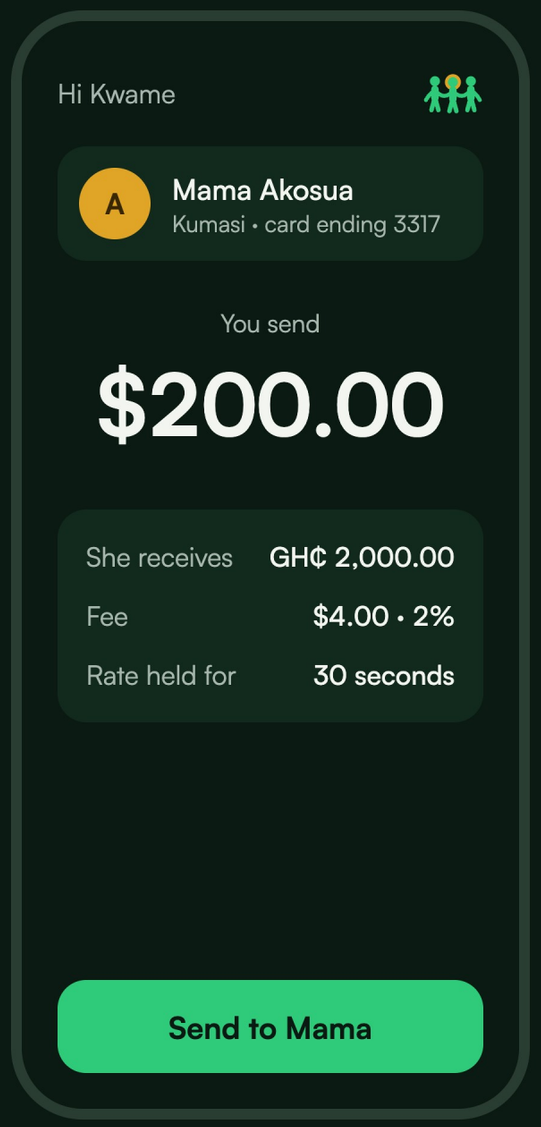

Satoshi is quiet and geometric, so it carries the calm of your dark-green reference without feeling like a bank.

$200.00 → GH₵ 2,000.00

Draft B · Clash Grotesk · Market day

TYPE · CLASH GROTESK + INTER

Cash home, hand to hand.

Mama has her money

Clash Grotesk has the punch of a painted shop sign for headlines and amounts. Inter keeps small labels and the keypad easy to read on a cheap phone.

$200.00 → GH₵ 2,000.00

Display and amounts: Clash 600 · Labels and body: Inter 400–500

COLOUR IN THIS DRAFT

Cream ground like paper, forest for actions and amounts, clay and gold for the human moments.

Draft C · Chillax · Warm earth

TYPE · CHILLAX + DM SANS

Cash home, hand to hand.

Mama has her money

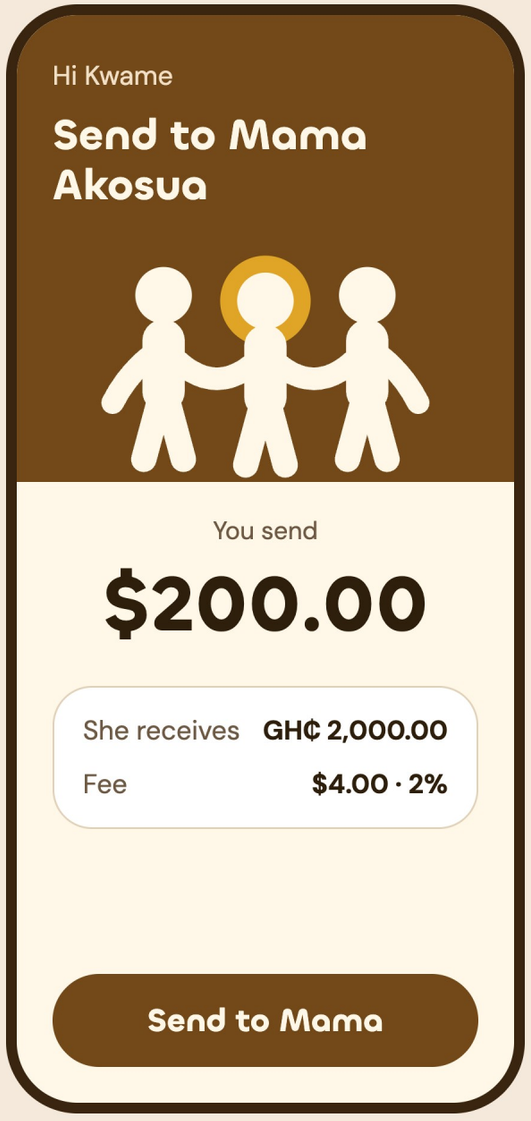

Chillax is soft and rounded, the friendliest of the three, and it sits closest to the curved paper-cut mark. DM Sans keeps the small print plain.

$200.00 → GH₵ 2,000.00

Display and amounts: Chillax 500–600 · Labels and body: DM Sans 400–500

COLOUR IN THIS DRAFT

Your sketch's earth brown leads, cream paper behind it, leaf for success, gold for the people.
